

LADY MIRAVEL

The Ashen Rose

Premium NPC for D&D 5e

A ready-to-use character designed for urban, horror, political, and mystery-driven campaigns.

Who She Is

Lady Miravel is an elven noblewoman known for her impeccable manners, lavish receptions, and deep fascination with art, magic, and forgotten history.

She always speaks with calm precision, remembers every name, and somehow seems to know more than she should.

She can be used as:

- enigmatic ally
 - quest patron
 - political contact
 - future antagonist
 - key victim
 - elegant mastermind
-

Motivation

Miravel is obsessed with the idea of preserving memory.

She collects objects, letters, journals, and relics belonging to the dead, convinced that remembrance outlives flesh.

This obsession often pushes her beyond moral boundaries.

Main Secret

Inside her manor lies a forbidden chamber filled with relics tied to mysterious deaths.

Each object allows her to reconstruct fragments of the past.

The DM may decide whether:

- she is merely a scholar
- she is tied to the deaths
- she protects a spirit

- she practices refined necromancy
 - she guards an ancient secret
-

Immediate use

As an ally

She can fund the party in exchange for the recovery of a specific relic.

As a contact

She knows nobles, guild leaders, wizards, and collectors.

As a slow-burn villain

She becomes an antagonist once the party learns what she truly keeps.

4 READY LINES

1. *“Objects outlive flesh.”*
 2. *“Truth never dies. It simply waits to be found.”*
 3. *“What I keep no longer belongs to the living.”*
 4. *“One day, all of you will leave something behind.”*
-

3 READY HOOKS

1. Lady Miravel seeks a lost journal hidden in ancient ruins.
 2. A missing noble was last seen entering her manor.
 3. A relic found by the party appears to belong to her collection.
-

Final note for the DM

Lady Miravel is built to be **immediately playable yet highly adaptable**.

She can become an ally, patron, rival, or villain while always maintaining narrative consistency.
