

SAHIR VHAL

The Merchant of Seven Lies

Signature Rakshasa Boss for D&D 5e

A ready-to-use rakshasa villain built for urban campaigns, political intrigue, supernatural mysteries, and high-tension finales.

Background

Within gilded noble districts, private guild halls, and moonlit night markets, the name **Sahir Vhal** is spoken in hushed tones.

To the world, he appears as a refined dealer in relics, exotic spices, and treasures from distant lands.

In truth, he is an ancient **rakshasa** who has spent decades manipulating nobles, bankers, and criminals, feeding on greed, betrayal, and despair.

Every deal he offers is carefully designed to end in ruin.

His true goal is to seize control of an ancient seal buried beneath the city, one that would allow him to call more fiends into the Material Plane.

Immediate use

Perfect as:

- hidden crime lord
 - guild mastermind
 - seemingly harmless merchant
 - political villain
 - recurring urban antagonist
 - final boss of a city campaign
-

Lair

His lair lies beneath a luxurious merchant estate.

Key areas

- contract chamber filled with living scrolls
- cursed relic vault
- corridor of gilded mirrors

- incense ritual room
 - private crimson-canopy chamber
 - final sanctum guarded by corrupted bodyguards
-

Special narrative abilities

Irrevocable Bargain

Once per scene, Sahir can offer a deal that appears beneficial but always carries a future cost.

Face of the Benefactor

He can appear as a wealthy patron, diplomat, or elderly trader.

Velvet Step

He always knows at least one elegant and unexpected escape route.

Reward

Seal of the Seventh Clause

Wondrous item, rare (requires attunement)

Once per day, allows the wielder to cast **Suggestion** (save DC 15).

If used during a negotiation, it grants advantage on the first Persuasion, Deception, or Intimidation check.

4 READY HOOKS

1. A noble house is ruined after signing an innocent-looking contract.
 2. A luxury item sold in the city gives its owner nightmares.
 3. A merchant guild always seems to know the party's next move.
 4. A beggar claims to have seen "a man with backward hands."

Final note for the DM

This rakshasa is built to be **strong in its foundations yet flexible in tone**.

It can serve as the villain of a one-shot, a recurring mastermind, or the elegant face of a much larger infernal conspiracy.
